# Training Energizer

Note this is the first study package in the sequence.

The screenshot displays the IRBNet interface for a study package. At the top left, the IRBNet ID is 100104-1. At the top right, there are links for 'USER PROFILE' and 'LOGOUT'. Below the header, there is a navigation bar with a 'Study Overview' button circled in red. The main content area shows the study title '[100104-1] Public Acceptance of Dihydrogen Dioxide' and the user's access level 'You have Full access for this study'. Below this, there is a 'Study Manager' section with a 'Create New' button circled in red. A red arrow points from the 'Create New' button to a 'Study Designer' button, which is also circled in red. The interface is cluttered with various icons and text elements.

To create a new package in sequence from an existing package (ex. 100104-1) click on "Study Designer".

# Training Energizer

The screenshot shows a web application interface. At the top left, there is a "Welcome" message. At the top right, the text "Study Designer" is circled in red. Below this, there is a navigation bar with a "reference materials to assist you in ass" link. A "Select a Library:" dropdown menu is set to "Metropolitan". A table of documents is visible, with three columns labeled "1", "3", and "4". A legend box on the right side of the table lists: "1 View", "3 Update", and "4 Delete document". Red arrows point from these legend items to the corresponding columns in the table. A yellow callout box on the left contains the text: "Click 'Add New Document' to add documents to next package." A red arrow points from this box to a red circle on the bottom of the page.

Welcome
